Request for Comments

The Kansas Department of Health and Environment has received and reviewed a permit modification request to construct and operate a new cell at the existing Barton County municipal solid waste landfill. The proposed municipal solid waste landfill cell is adjacent to and east of the existing cell that is currently accepting waste. Barton County is the owner of the property. The new 43-acre cell will be developed in seven phases of approximately 6-acres each. The new cell will be constructed with a composite liner consisting of soil and a geomembrane and a leachate collection system. Based on current waste projections, the new cell has a capacity to receive waste for approximately 35 years.

KDHE is providing public notice of its intent to amend the municipal solid waste permit to allow construction and operation of the new cell. The new cell lies in a tract of land in the SE¼ of Section 12, Township 19 South, Range 13 West. The Barton County Landfill is located at 350 N.E. 30th Road in Great Bend.

Article 5.—PROVIDER PARTICIPATION, SCOPE OF
SERVICES, AND REIMBURSEMENTS FOR THE
MEDICAID (MEDICAL ASSISTANCE) PROGRAM

30-5-59. Provider participation requirements. The following shall be prerequisites for participation in and payment from the medicaid/medikan program. Providers of services to foster care consumers, adoption support consumers, Kan Be Healthy consumers, or other consumers who have special needs may be excluded from these prerequisites at the discretion of the secretary. A special need shall be defined as a medically necessary item of durable medical equipment that can only be cost-efficiently obtained from a provider not otherwise eligible to be enrolled within the current program guidelines. (a) Enrollment. Each participating provider shall perform the following:

(1) Submit an application for participation in the medicaid/medikan program on forms prescribed by the secretary of the Kansas department of social and rehabilitation services;

(2) obtain and maintain professional or department-specified credentials determined by the secretary in the jurisdiction where the service is provided and for the time period when the service is provided, and if applicable, be certified, licensed, or registered by the appropriate professional credentialing authority;

(3) notify the Kansas department of social and rehabilitation services if any of the original information provided on the application changes during the term of participation in the medicaid/medikan program;

(4) after completing the necessary application forms and receiving notice of approval to participate from the department, enter into and keep a provider agreement with the Kansas department of social and rehabilitation services;

(5) notify the Kansas department of social and rehabilitation services when a change of provider ownership occurs, submit new ownership information on forms for application for participation in the medicaid/medikan program, and receive approval from the department for participation as a new provider before reimbursement for services rendered to medicaid/medikan program consumers is made;

(6) locate a consumer service representative who is available 24 hours per day and a business in Kansas or a border city that is accessible, in accordance with the applicable Americans with disabilities act guidelines, to the general public between the hours of 9:00 a.m. and 5:00 p.m. at a minimum, excluding weekends, and state and

federal holidays, if applying to be a durable medical equipment or medical supply provider. Any pharmacy located in Kansas or a border city that has a medical provider number may enroll as a durable medical equipment provider even if no storefront is present; and

(7) be located in Kansas or a border city if applying to be a pharmacy, unless the pharmacy is providing services to children in the custody of the secretary of the Kansas department of social and rehabilitation services or to program consumers in emergency situations. The only exceptions to this requirement shall be the following:

(i) A pharmacy that is an approved contractor with the Kansas department of health and environment as a supplier of intravenous blood fraction products. This exception shall apply only to reimbursement for the intravenous blood fraction products; and

(ii) a mail order pharmacy that serves medicaid consumers with a primary payor other than medicaid.

(b) Denial of application. If an application for participation in the medicaid/medikan program is denied, the applicant shall be notified in writing by the department.

(c) Continuing participation. Each participating provider shall perform the following:

(1) Comply with applicable state and federal laws, regulations, or other program requirements;

(d) Recordkeeping. Each participating provider shall perform the following:

(1) Maintain and furnish within the time frame specified in a request any information for five years from the date of service that the Kansas department of social and rehabilitation services, its designee, or any other governmental agency acting in its official capacity may request to assure proper payment by the medicaid/medikan program, to substantiate claims for medicaid/medikan program payments, and to complete determinations of medicaid/medikan program overpayments. This information shall include the following:

(A) Fiscal, medical, and other recordkeeping systems;

(B) matters of the provider's ownership, organization, and operation, including documentation as to whether transactions occurred between related parties;

(C) documentation of asset acquisition, lease, sale, or other action;

(D) franchise or management arrangements;

(E) matters pertaining to costs of operation;

(F) amounts of income received, by source and purpose; and

(G) a statement of changes in financial position;

(2) use standardized definitions, accounting, statistics, and reporting practices that are widely accepted in the provider's field;

(3) permit the Kansas department of social and rehabilitation services, its designee, or any other governmental agency acting in its official capacity to examine any records and documents that are necessary to ascertain information pertinent to the determination of the proper amount of a payment due from the medicaid/medikan program; and

(4) agree to repay overpayment determinations resulting from the use of sampling techniques.

(e) Payment. Each participating provider shall meet the following conditions:

(1) Accept as payment in full, subject to audit when applicable, the amount paid by the medicaid/medikan program for covered services;

(2) not assign medicaid/medikan program claims or grant a power of attorney over or otherwise transfer right to payment for these claims except as set forth in 42 CFR 447.10, revised July 24, 1996, which is adopted by reference;

(3) not charge medicaid/medikan program consumers for services denied for payment by the medicaid/medikan program because the provider has failed to meet a program requirement including prior authorization;

(4) not charge medicaid/medikan program consumers for noncovered services unless the consumer has been informed of the noncoverage prior to the rendering of the service;

(5) not charge medicaid/medikan program consumers for services covered by the program with the exceptions of claims liable to spenddown or copayment;

(6) submit claims for payment on claim forms approved and prescribed by the secretary; and

(7) be subject to the payment limitations specified in K.A.R. 30-5-70.

(f) Provider participation in the medicaid/medikan program may be disallowed for any of the reasons set forth in K.A.R. 30-5-60.

- (12) drugs for the treatment of obesity:
 - (A) Orlistat; and
 - (B) sibutramine;
- (13) oxazolidinones, including linezolid; and
- (14) the following drugs if specifically required by the physician, which shall require prior authorization to override maximum allowable cost (MAC) or federal upper limit (FUL) pricing:
 - (A) Clozanal;
 - (B) depakene; and
 - (C) tegretol.

(c) Failure to obtain prior authorization, if required, shall negate reimbursement for the service and any other services resulting from the unauthorized or noncertified treatment. The prior authorization shall affect reimbursement to all providers associated with the service.

(d) The only exceptions to prior authorization shall be the following:

(1) Emergencies. If certain surgeries and procedures that require prior authorization are performed in an emergency situation, the request for authorization shall be made within two working days after the service is provided.

(2) Situations in which services requiring prior authorization are provided and retroactive eligibility is later established. When an emergency occurs or when retroactive eligibility is established, prior authorization for that service shall be waived, and if medical necessity is documented, payment shall be made.

(e) Services requiring prior authorization shall be considered covered services within the scope of the program unless the request for prior authorization is denied.

(f) This regulation shall take effect on and after October 1, 2000. (Authorized by and implementing K.S.A. 1999 Supp. 39-708c; effective May 1, 1981; amended May 1, 1983; amended May 1, 1986; amended May 1, 1992; amended July 1, 1994; amended March 1, 1995; amended March 1, 1996; amended July 1, 1996; amended July 1, 1997; amended Jan. 1, 1999; amended April 1, 2000; amended Oct. 1, 2000.)

Article 10.—ADULT CARE HOME PROGRAM

30-10-21. Reserve days. (a) Payment shall be available for days for which it is necessary to reserve a bed in a nursing facility (NF) or nursing facility for mental health (NF-MH) when the resident is absent for any of the following reasons:

- (1) Admission to a hospital for acute conditions;
- (2) therapeutically indicated home visits with relatives and friends; or
- (3) participation in any state-approved therapeutic or rehabilitative program.

(b) In order for payment to be available, the following requirements shall be met when a bed is reserved in a nursing facility or nursing facility for mental health because of hospitalization for acute conditions:

(1) Payment shall be available only for the days during which there is a likelihood that the reserved bed would otherwise be required for occupancy by some other resident.

(2) (A) The period of hospitalization for an acute condition shall not exceed 10 days per any single hospital stay.

(B) For residents from a nursing facility for mental health, the period of hospitalization shall not exceed 21 days per state mental institution admission or admission to a psychiatric ward in any of the following:

- (i) A general hospital;
- (ii) a private psychiatric hospital; or
- (iii) a veterans administration medical center.

(3) The resident shall intend to return to the same facility after hospitalization.

(4) The hospital shall provide a discharge plan for the resident.

(5) Reimbursement shall not be made to reserve a bed in a swing bed hospital when a nursing facility will be reimbursed for the same day to reserve a bed for the resident's return from the hospital.

(c) The resident's plan of care shall provide for the non-hospital-related absence.

(1) Payment for non-hospital-related reserve days for eligible residents in nursing facilities for mental health shall not exceed 21 days per calendar year, including travel. If additional days are required to obtain or retain employment, participate in a job readiness training program, or alleviate a severe hardship, the requesting party shall send a request for additional days and supporting documentation to the fiscal agent for approval or disapproval.

(2) Payment for non-hospital-related reserve days for all eligible residents in nursing facilities shall not exceed 18 days per calendar year, including travel. If additional days are required to alleviate a severe hardship, the requesting party shall send a request for additional days and supporting documentation to the fiscal agent for approval or disapproval.

(d) This regulation shall not prohibit any resident from leaving a facility if the resident so desires.

(e) Payments made for unauthorized reserve days shall be reclaimed by the agency.

(f)(1) Before any routine absence by residents, the provider shall notify the local agency office.

(2) In case of emergency admission to a hospital, the provider shall notify the local agency office not later than five working days following admission.

(g) Payment for reserve days shall be approved except when either of the following conditions is met:

(1) The provider has either of the following:

(A) More than five vacant beds for each level of care for nursing facilities with fewer than 200 beds; or

(B) more than 15 vacant beds for nursing facilities having 200 or more beds.

(2) The absence is longer than 10 hospital days for NF or NF-MH residents or 21 hospital days for NF-MH residents who enter any of the following:

(A) A state mental hospital; or

(B) a psychiatric ward in any of the following:

(i) A general hospital;

(ii) a private psychiatric hospital; or

(iii) a veterans administration medical center.

(h) This regulation shall take effect on and after October 1, 2000. (Authorized by and implementing K.S.A. 1999 Supp. 39-708c; effective May 1, 1985; amended May 1, 1986; amended May 1, 1987; amended May 1, 1988; amended Jan. 2, 1989; amended Jan. 2, 1990; amended, T-30-3-29-90, April 1, 1990; amended, T-30-10-1-90, Oct. 1, 1990; amended Jan. 30, 1991; amended July 1, 1996; amended Oct. 1, 2000.)

Governmental Ethics Commission

Opinion No. 2000-37

Written August 17, 2000, to Tom Sawyer, State Chair, Kansas Democratic Party, Topeka.

This opinion is in response to your letter of July 13, 2000, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the Campaign Finance Act (K.S.A. 25-4142 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 25-4142 *et seq.* Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you request this opinion in your capacity as the State Chair of the Kansas Democratic Party. You are writing on behalf of the Insurance Commissioner, Kathleen Sebelius, Senate Democratic Leader, Anthony Hensley, Senate Agenda Chair, Jim Barone, House Democratic Leader, Jim Garner, and Representative Geraldine Flaherty. These individuals question whether they may use their campaign funds to attend the 2000 Democratic National Convention.

You have explained that you anticipate that these individuals will be addressing events and will be involved in the conduction of official functions due to their positions as state officers and not because of their positions as delegates. In addition, during the Convention, Kathleen Sebelius will be honored by an organization in recognition of her work as the Insurance Commissioner for the State of Kansas.

Question

May these individuals use campaign funds to pay for their expenses associated with the Democratic National Convention when they are performing functions in their capacity as State officers?

Opinion

K.S.A. 1999 Supp. 25-4157a is applicable to your question. It states in pertinent part:

(a) No moneys received by any candidate . . . as a contribution under this act shall be used or be made available for the personal use of the candidate and no such moneys shall be used by such candidate or the candidate committee of such candidate except for:

(2) expenses of holding political office;

For the purpose of this subsection, expenditures for "personal use" shall include expenditures to defray normal living expenses for the candidate or the candidate's family and expenditures for the personal benefit of the candidate having no direct connection with or effect upon the campaign of the candidate or the holding of public office.

Based upon your representation that these individuals will only be spending approximately three to four hours as a party delegate at the Convention, and the remainder of their time will be spent performing duties in their positions as elected officials, this factual situation differs from those presented in Opinion 1996-07 and 1996-14. Because the expenses of attending the convention are ne-

(continued)

cessitated by and have a direct connection with the elected officials' offices, they are an expense of holding political office and may be paid for out of campaign funds.

Opinion No. 2000-38

Written August 17, 2000, to Debra M. Maier, Augusta.

This opinion is in response to your letter of July 25, 2000, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you are asking for this opinion in your capacity as an employee of the Kansas Department of Social and Rehabilitation Services (SRS). You have explained that you currently perform intake and assessment for abuse/neglect and non-abuse/neglect cases in Butler County, Kansas. In addition, you work with foster care and adoption cases. You question whether it would be appropriate for you, on your non-state time, to perform intake and assessment of juvenile offenders for the 13th Judicial District (the District). You have explained that the District is actually a combination of three counties which primarily process juvenile offenders, but which on occasion process children in need of care cases during the evening and weekend hours when the SRS office is closed. In addition, you have explained that if you are involved with a case through the District and that case is subsequently referred to SRS, your supervisor at SRS will assign that case to another SRS case worker.

Question

May you perform intake and assessment for the 13th Judicial District while still employed by the State without violating any of the State Governmental Ethics laws?

Opinion

Three statutes apply to the question you have raised: K.S.A. 1999 Supp. 46-233(a), which involves participation in the making of contracts; K.S.A. 1999 Supp. 46-235, which governs restrictions on compensation of state employees; and K.S.A. 46-241, which involves the use of confidential information. Each of these statutes will be addressed in turn.

K.S.A. 1999 Supp. 46-233(a) states in pertinent part:

(a)(1) No state officer or employee shall in the capacity as such officer or employee be substantially involved in the preparation of or participate in the making of a contract with any person or business by which such officer or employee is employed.

(2) Except as otherwise provided in this subsection, whenever any individual has participated as a state officer or employee in the making of any contract with any person or business, such individual shall not accept employment with such person or business as an employee, independent contractor or subcontractor until two years after performance of the contract is completed or until two years after the individual terminates employment as a state officer or employee, whichever is sooner.

Under subsection (a)(1) of this provision, you would be prohibited, as a state employee, from being substantially

involved in the preparation of or participation in the making of a non-competitively bid contract with the District. Additionally, under subsection (a)(2) you would be prohibited from accepting employment as an employee, independent contractor, subcontractor or as a consultant with the District, if you, as a state employee, had participated in the making of any non-competitively bid contract with the District.

K.S.A. 1999 Supp. 46-235 states in pertinent part:

No state officer or employee shall accept compensation for performance of official duties, other than that to which such person is entitled for such performance. . . . The receipt of wages or salary from an individual's non-state employer during a period of service as a state officer or employee shall not be construed as compensation for performance of official duties.

Pursuant to K.S.A. 1999 Supp. 38-1523, SRS and local law enforcement jointly have a duty to provide intake and assessment of child in need of care cases. SRS has accepted this responsibility during business hours and the District has accepted this responsibility during non-business hours. Because it is not a part of SRS duties to perform intake and assessment during non-business hours, and because the District is authorized by statute to perform this service during these non-business hours, you will not be accepting compensation for the performance of your official duties while working for the District. Therefore the situation you describe would not constitute a violation of K.S.A. 1999 Supp. 46-235.

Finally, K.S.A. 46-241 states:

No state officer or employee shall disclose or use confidential information acquired in the course of his or her official duties in order to further his or her own economic interest or those of any other person.

This section is self-explanatory. Confidential information obtained during your official duties with the State may not be used for your financial gain or the financial gain of another.

Therefore, under the circumstances presented, the State governmental ethics laws would not prohibit you from accepting employment with the District.

Opinion No. 2000-39

Written August 17, 2000, to Cindy Wade, Kansas Department of Transportation, Division of Computer Services, Topeka.

This opinion is in response to your letter of August 4, 2000, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you are asking for this opinion in your capacity as an employee of the Kansas Department of Transportation's (KDOT) Division of Computer Services. You have explained that you have been asked to speak at the Jetform User Conference (Conference) in November. Jetform waives the \$895 registration fee for all

individuals speaking at the Conference. You have also explained that KDOT has approved your attendance at this conference and has budgeted the money for the expenses associated with your attendance at this Conference.

Question

May Jetform waive the registration fee for this state employee?

Opinion

The ability of State employees to accept complimentary registrations is covered by K.S.A. 1999 Supp. 46-237a(b)(3). It states in pertinent part:

(b) No person subject to the provisions of this section shall solicit or accept any gift, economic opportunity, loan, gratuity, special discount or service provided because of such person's official position, except:

(3) anything of value received by the person on behalf of the state that inures to the benefit of the state or that becomes the property of the state.

In Opinion 1997-21 the Commission addressed a similar question and stated:

This question has been asked of the Commission under K.S.A. 46-237. The Commission has held that so long as the conference served a legitimate state purpose and the employee's agency would have authorized payment of the registration fee, then the gift was not received by the employee, but inured to the benefit of the state. We believe that subsection (b)(3) should apply to such situations, and thus the employee could receive the registration provided the conference serves a legitimate state purpose, and his or her agency would have authorized payment.

Because KDOT has authorized you to attend this Conference and has budgeted the money to pay the registration fee, Jetform's waiver of the registration fee is a gift to the agency and not to you as a state employee. Because this gift will inure to the benefit of the State, the complimentary registration fee may be accepted without causing a violation of the state level conflict of interest laws.

Opinion No. 2000-40

Written August 17, 2000, to Laura Johnson, Deputy Director, Kansas Department of Revenue, Division of Property Valuation, Topeka.

This opinion is in response to your letter of July 17, 2000, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you are asking for this opinion in your capacity as Deputy Director of the Kansas Department of Revenue's Division of Property Valuation. You have explained that the sponsors of the Appraisal for Ad Valorem Taxation of Communications, Energy and Transportation Properties Conference (the Conference), have offered to pay the registration fees, travel, lodging and related expenses for the Chief of the State Appraised

Property Bureau to attend this Conference. You have informed us that the Department of Revenue does not regulate, license or inspect the sponsors of this Conference and that the Department considers this Conference to be beneficial and useful to the agency.

In addition, you have explained that during the course of the Conference, specific industries often put on banquets, luncheons, and picnics. These functions are held during the Conference, but are not a part of the official Conference.

Questions

I. May the sponsors of the Conference provide this State employee with free registration, travel, lodging and related expenses for the Conference?

II. May this State employee attend the banquets, luncheons or picnics held during the Conference but which are not a part of the actual Conference?

Opinion

The ability of State employees to accept reimbursement for these type of expenses is covered by K.S.A. 1999 Supp. 46-237a(d)(2). It states in pertinent part:

(d) No person subject to the provisions of this section shall solicit or accept free or special discount travel or related expenses from a source outside state government, except:

(2) when the person's presence at a meeting, seminar or event serves a legitimate state purpose or interest and the person's agency authorizes or would authorize payment for such travel and expenses.

Because this employee's presence at the Conference serves a legitimate state purpose, and your agency would authorize payment for the travel and expenses, the employee may accept all of the expenses associated with attendance at this conference that the State would normally pay.

With regard to your second question, the ability of State employees to attend banquets, luncheons, or picnics is covered by K.S.A. 1999 Supp. 46-237a(c). It states:

(c) No person subject to the provisions of this section shall solicit or accept free or special discount meals from a source outside of state government, except:

(1) Meals, the provision of which is motivated by a personal or family relationship or provided at events that are widely attended. An occasion is "widely attended" when it is obvious to the person accepting the meal that the reason for providing the meal is not a pretext for exclusive or nearly exclusive access to the person;

(2) meals provided at public events in which the person is attending in an official capacity;

(3) meals provided to a person subject to this act when it is obvious such meals are not being provided because of the person's official position; and

(4) food such as soft drinks, coffee or snack foods not offered as part of a meal.

Pursuant to this section, state employees are entirely prohibited from accepting free or discounted meals unless one of the four enumerated exceptions apply. Under the factual situation you have provided, the State employee would not be able to accept free meals at the banquets, luncheons, or picnics which are not provided as a part of the official Conference covered by the registration

(continued)

fee. The employee may, of course, attend and consume the meal, but he or she must pay to the host for the fair market value of the meal consumed.

Opinion No. 2000-41

Written August 17, 2000, to Joan S. Lewerenz, Topeka.

This opinion is in response to your letter of August 4, 2000, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you are asking for this opinion in your capacity as an employee of the Kansas Department of Social and Rehabilitation Services (SRS). You have explained that your department is currently considering implementing an automated child welfare system. You serve on an oversight committee which is charged with outlining the business functions of your agency and determining which of those functions should be automated. You have informed a member of our staff that, at this time, it has not been determined whether an automated system will be implemented and that no funds have been approved for such a project. No contracts are being developed at this time, nor has a committee been appointed to develop the terms for any future contracts which might be necessitated by this project. Your committee, however, is gathering information which may be used to determine whether an automated system should be implemented. The recommendations of this committee will be issued after November, 2000.

You have explained that you will be retiring from State employment on September 15, 2000. You question whether you or a company you may become employed by would be able to enter into a contract with SRS for the design or implementation of the automated child welfare system.

Question

May you or a company you may become employed by enter into a contract with SRS for the design or implementation of the automated child welfare system without violating any of the State Governmental Ethics laws?

Opinion

K.S.A. 1999 Supp. 46-233(a), which involves participation in the making of contracts, is applicable to the question you raise. It states in pertinent part:

(a)(1) No state officer or employee shall in the capacity as such officer or employee be substantially involved in the preparation of or participate in the making of a contract with any person or business by which such officer or employee is employed. . . .

(e) . . . (2) "Substantially involved in the preparation or participate in the making of a contract" means having approved or disapproved a contract or having provided significant factual or specific information or advice or recommendations in relation to the negotiated terms of the contract.

Based upon the specific factual scenario you have presented, it does not appear that you will have provided significant factual or specific information, advice or recommendations in relation to the negotiated terms of a contract. Therefore, you will not have been substantially involved in the preparation of or have participated in the making of a contract. Consequently, you or a company you may become employed by may enter into a contract with SRS for the design or implementation of the automated child welfare system without violating any of the State Governmental Ethics laws.

Opinion No. 2000-42

Written August 17, 2000, to Tim Long, SRS Information Services, Topeka.

This opinion is in response to your letter of August 8, 2000, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement

We understand that you are asking for this opinion in your capacity as an employee of the Kansas Department of Social and Rehabilitation Services (SRS). You have explained that you will be retiring from state employment on September 15, 2000 and that you have been offered a position with A/S/K & Associates (ASK). You have explained that when SRS needs short term extra programmers, SRS's contracting office puts out a request to all of the vendors on the master contract list and then a contract employee is chosen. You interview these prospective employees and make a recommendation to the contracting office. You then supervise the contract employee's work assignments. During 1997 and 1998 you interviewed three employees provided by ASK and were also involved with the approval or disapproval of renewal contracts for these three employees. At the time these contract employees' contracts came up for renewal, ASK requested a rate increase. As the employees' immediate supervisor, you were asked to evaluate their job performance and then discussed with your supervisor whether the employees should be retained. Your supervisor was responsible for determining whether to accept or deny the renewal contract with the rate increase. Two of these employees were retained and one was not.

Question

May you accept employment with ASK after retiring from state employment without violating any of the State Governmental Ethics laws?

Opinion

K.S.A. 1999 Supp. 46-233(a), which involves participation in the making of contracts, is applicable to the question you raise. It states in pertinent part:

(2) Except as otherwise provided in this subsection, whenever any individual has participated as a state officer or employee in the making of any contract with any person or business, such individual shall not accept employment with such person or

business as an employee, independent contractor or subcontractor until two years after performance of the contract is completed or until two years after the individual terminates employment as a state officer or employee, whichever is sooner.

(e) When used in this section:

(2) "Substantially involved in the preparation or participate in the making of a contract" means having approved or disapproved a contract or having provided significant factual or specific information or advice or recommendations in relation to the negotiated terms of the contract.

Based upon the factual scenario you provided, you were substantially involved in the making of a contract with that company and, therefore, you would not be permitted to accept employment with that company until two years after performance of the contracts at issue are completed or until two years after you leave state employment, whichever is sooner.

Opinion No. 2000-43

Written August 17, 2000, to all interested persons:

Pursuant to K.S.A. 46-254, the Kansas Governmental Ethics Commission takes the opportunity to issue its opinion on the definition of the term "invited" pursuant to K.S.A. 1999 Supp. 46-269 as amended by 2000 Kan. Sess. Laws 124 §§ 3.

Opinion

K.S.A. 1999 Supp. 46-269 as amended by 2000 Kan. Sess. Laws 124 §§ 3 states in pertinent part:

(c) (1) In addition to the information reported pursuant to subsection (b), each lobbyist expending an aggregate amount of \$100 or more for lobbying in any reporting period shall report any gift, entertainment or hospitality provided to members of the legislature, members of the judicial branch of government and any employees of the legislature or judicial branch of government. Such report shall disclose the full name of the legislator, member of the judicial branch and employee who received such gift, entertainment or hospitality and the amount expended on such gift, entertainment or hospitality.

(2) No report shall be required to be filed pursuant to this subsection (c) for the following:

(E) entertainment or hospitality in the form of recreation, food and beverages provided at an event to which the following have been invited:

(i) All members of the legislature or all members of either house of the legislature; or

(ii) all members of a political party caucus of the legislature or all members of a political party caucus of either house of the legislature.

In order for an invitation to comply with subsection (2)(E)(i) or (2)(E)(ii), the invitation must be meaningful and issued in good faith. In determining whether an invitation is meaningful and issued in good faith, the following factors, among others, should be considered.

1. Actual Notice: The person extending the invitation must provide notification in a manner that ensures that the majority of the invitees receive actual notice - the manner in which the invitation is distributed or communicated to the invitees remains within the discretion of the invitor;

2. Timeliness of Notice: The invitees must receive notice in a manner sufficiently timely to allow them a real possibility of attending the event. Consideration must include, but is not limited to, the location of the event, the location of the invitees, the necessity of travel to the event, and the scheduling of other events generally attended by a significant portion of the invitees; and

3. Likelihood of Attendance: There must be a reasonable likelihood that the majority or a reasonable mix of the invitees will or reasonably could attend the event. An invitation to an event that is historically only attended by certain individuals and which carries no reasonable likelihood that the majority or a reasonable mix of the invitees will attend, will not be considered an invitation pursuant to subsection (2)(E).
